## **Application for Financial Aid for Library Friends Chapters**

We are aware that new Friends chapters just getting established or in the process of rekindling themselves often begin with little financial support. We also recognize that obtaining the federal 501(c) (3) tax exempt status can help a Friends group be more successful in its fundraising efforts. For that reason, the Friends of Kentucky Libraries is making grants of \$275 to reimburse our local Kentucky Friends chapters for the filing fee associated with obtaining 501(c) (3) status. Please note that this grant assistance is for Kentucky Friends chapters who have received 501(c) (3) status within the last six months.
